Shea and Laura have just finished directing a devised piece called 'Mum Lock the Doors', and are both currently a part of Two Productions' mentorship programme. They are very excited to teach musical theatre at Original Scripts, and can't wait to create some awesome work.

Shea Kokua studied musical theatre at NASDA where he gained a Bachelor of Performing Arts and a Bachelor of Media Arts (Honours). His other performing arts experiences include the SGCNZ Young Shakespeare Company 2012, hip hop dance tutoring, performing with Showbiz Theatre Company, in the Wellington Fringe Festival and as an accomplished musician/composer/music director.

Laura Hasson started performing at young age where she attended Original Scripts Theatre School and JK DanceWorks for 10+ years. She was involved in various productions including Kidsfest and the Original Scripts Youth Company, where she performed in the Wellington and Auckland Fringe. She studied musical theatre at NASDA where she gained a Bachelor of Performing Arts, majoring in Musical Theatre. Since graduation she has been performing with companies such as Two Productions, Showbiz and The Court Theatre, as well as teaching dance and drama.
