

## Information for Students 2017

Thank you for your enquiry into Original Scripts Theatre School. We are a performance based theatre school with all students performing on stage two to three times a year. The students learn all aspects of theatre including; acting technique, character building, singing, voice & movement.

We are very excited to announce that we are on the move this year! We will be moving to a space called "The Common Room" in the heart of the Arts Centre to share a lease with Tom and Holly of Two Productions. This space is two beautiful light filled studios, across the quad from the new cafe Bunsen. We will be on the lookout for you all the first week of classes so you can find us. We cannot wait to get started, 2017 is going to be an amazing year.

Our class size is approximately 15 students per class and the tutors are all experienced and qualified teachers & directors. The classes are a combination of script based and devised theatre created in an afterschool programme through performance based teaching. Each class is tailored to the specific needs of the individuals in it. We foster an environment rich in learning and also fun! Original Scripts provides a safe environment that introduces and fosters young people's own theatre making skills.

Term One commences on Tuesday 7<sup>th</sup> February (no Monday class on 6<sup>th</sup> February as it is Waitangi Day).
